Onward To Victory

American Military March Song

When we were struggling for liberty,
One thing we'll ne'er forget:-
The troops that France sent across the sea,
And her brave Lafayette;
Sister Republic, this time 'tis we,
Who cross the sea will go,
With you to combat autocracy--
Liberty's direst foe.

Hold to the line! We'll soon be there,
With millions strong! To do our share,
Your fight is our fight,
And with our whole might
At your side we'll be;
With Britain's Tommies, Belgium's sons,
Italy's braves, we'll charge the Huns!
Over the top!
Without a stop!
Onward to Victory!
